

# Santa Cruz 24 hour Charity Marathon

In Conjunction with the Lance Armstrong Foundation

In June and July 2005, you have an opportunity to be a part of something very special.

In 2004 over 1300 people across the US raised over \$30,000 in the fight against cancer.

Join your fellow disc golfers, friends and family members in playing disc golf for up to 24 hours in a weekend. In doing so, you will be supporting the wonderful work of helping cancer survivors, being done by the Lance Armstrong Foundation, along with helping your local course or club.

This year the Santa Cruz leg is Saturday July 23rd. Starting at 9 A.M. Exclusively at the Harding Estate. In 2004 Santa Cruz was one of the top 5 money raisers in the Nation! We will do that again in 2005!

You do not have to play all 24 hours. There will be side challenges and prizes for those who do. We will have a mini course, food, refreshments, and a skins contest all day.

To get your players package at the event, you must register BEFORE July 1st. If you register day of the event, you will get your package later.

Please try to get additional sponsors for your play, by hole, by hour, or flat rate. All donations payable to The Lance Armstrong Foundation, collected after the event. Tax deductible
